Update your Acrobat Reader to version 5 or above in order to view and print Fog Charts

When printing Fog Charts with Acrobat Reader

Be sure following have box checked

- Shrink oversized pages to paper size
- Expand Small pages to paper size
- Auto-rotate and center pages

Choose "Print EVEN Pages Only" on your first pass

Once first printing is complete, place paper back in printer and print ODD Pages Only

NOTE: If you have DUPLEXING like KINKO'S you can print all at once
Kinko's charges about \$15.00 to print with Color Laser, it looks very good
